Wasif Baliyan *Fullstack Developer*

✉ w.baliyan@yahoo.in   📞 7417624316   📍 New Delhi   ⬏ Portfollio   in LinkedIn   ○ Github

Full-stack Javascript developer building beautiful UI's and scalable web apps.

💼 WORK EXPERIENCE

Frontend Engineer, Devkraft Technologies 🔗   01/2021 – present
New Delhi
- Built the front end from scratch.
- Developed the internal workflow dashboard with automation for the IRM team, doubling the productivity of the team.
- Developed collaborative editing feature across multiple tabs and multiple input fields.

Tech Stack: **React JS, Redux, Vue, Material UI**

Frontend Developer, Freelancing   2020 – 01/2021
New Delhi
- Worked on the frontend
- Built Landing pages that help my clients in their sales.

Tech Stack: React, Redux, Gatsby, Bootstrap, styled-components

Co-Founder, Hindiwala Online Media LLP   04/2017 – 2019
New Delhi
I co-founded Hindiwala along with my friend in 2017.
- Tech news, reviews, and videos platform
- Created tech videos for our youtube channel
- Published tech articles

Due to time constraints and future ambitions, we decide to close Hindiwala in 2019.
